

# PERMISSION TO TAKE PICTURES AND VIDEO

Hi!

In the course of a year, more than 12.000 children and young people participate in The Danish Red Cross Youth's many activities. We really appreciate that! But in order for us to continue with our activities, it is important that we can document what we do and show it to the world.

We do this through photos and short videos of the children and young people who participate in the activities. In this way we can get more people interested in participating or financially supporting the activities.

Therefore, we would like your permission to take photos and short videos of you or your child.

The photos and videos can be used on our website ([www.urk.dk](http://www.urk.dk)), in our photo archive ([www.flickr.com/urkfoto](http://www.flickr.com/urkfoto)), on our social media and in publications. In addition, photos and videos may be used to illustrate articles in papers. All material will only be used to illustrate The Danish Red Cross Youth's activities.

Thank you so much.

Best regards,

The Danish Red Cross Youth

**I hereby give permission to the Danish Red Cross Youth to use photos and videos of me as described above.**
